Description	<p>Omega P.G.College was organized on Diverse Career Options and Ways to Grab them at college seminar hall on 15-11-2021. Around 113 students attended the programme and programme was beneficial for the students.</p> <p>On the basis of his experience as expert Prof .Harrison Sunil described about different avenues open to the students in this 21st century. He spoke on various sectors that students can explore to build a rewarding career regarding the public sector; he said that many individuals seek job security and stability in the government sector. Opportunities range from administrative services, law enforcement, education, healthcare, and public administration.</p> <p>These roles often require competitive exams and a strong commitment to public service. Regarding the private Sector career, he said that the private sector offers a vast array of career options, including finance, IT, manufacturing, retail, and hospitality. Job seekers can explore various roles, from entry-level positions to top management, depending on their skills and qualifications. In order to encourage entrepreneurship, he told that starting own business is available option for those with an entrepreneurial spirit. This path can be highly rewarding but also involves significant risks. Exploring sectors such as e-commerce, technology startups, or traditional brick-and-mortar businesses can lead to success. He also talked about the education,</p> <p>Research sector and Agriculture and Agribusiness: He said that teaching and research are intellectually fulfilling careers. From school teachers to university professors and researchers, the education sector offers a chance to impart knowledge and contribute to the growth of future generations. Agriculture remains a significant sector, offering career paths in farming, agribusiness, agricultural research, and agri-technology. These roles play a crucial role in ensuring food security and sustainable agriculture practices.</p>
