Description	<p>Omega P.G.College celebrated Swami Vivekanand 156th Birth Centenary on 12th January, 2019. Prof Chandra Sekhar Pattnaik and Dr G Sudhakar graced the occasion. The Founder Chairman and the Institute's Principal garlanded the photo of Swami Vivekananda and addressed the gathering. A short movie which beautifully depicted the lives of Swami Vivekanand was shown to the faculty and students. Prof Chandra Sekhar Pattnaik inaugurated the event and spoke about this great man who relentlessly tried to set Indian society free from many evils. He asked the youth to study the works of Swami Vivekananda, understand his ideals and follow them. Swami Vivekananda laid stress on developing empathy as the foundation of a spiritual order. "That should guide all our lives," he said. He not only understood Indian spiritualism deeply but also interpreted it in a simple and modern language so that people around the world can understand it. And, all this was achieved in his short life, he said.</p> <p>Dr G Sudhakar too addressed the students and tried to instill feelings of self-respect, pride and honour amongst them. He urged the youth to take inspiration from the life of Swami Vivekananda. "You need to understand that your effective and constructive participation in society can change the nation," he added. The learnings of the event were acknowledged by all the participants. A total of 56 were present in the event.</p>

Description	<p>Omega P.G.College conducted a Debate competition on Theme “Cashless Economy: Are we ready for Transformation” on January 29, 2019 from 2:00 pm to 4:30 pm for the students. A total of 22 students participated in the debate competition.</p> <p>The aim of organizing debate competition was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. The session was the kaleidoscope of opinions, thoughts and perspective that enhanced the knowledge and understanding about the cashless economy among students.</p> <p>To begin with, each participant spoke their mind on the rationale for, the execution of and the potential future effects of cashless economy. Unsurprisingly, this led to a wide spectrum of contrasting views – from being heralded as an inevitable future, to being poorly perceived positivity and doubtful future due to a severe lack of critical infrastructure and technology, to being an achievable dream that can lead to a more transparent economy and a possibility of less corrupt India.</p> <p>Points presented were accepted by the spectators with cheers and claps. Some of the points even made us think about the facts. There was so much talent in the room. Arguments were made and roved. The competition was so interesting with the exchange of student’s perspective by equally stating the merits and demerits of going for cash less economy.</p> <p>The event was judged by Mr J Srinivas, Mrs L Chaithanya and Mrs B Sangeetha Vaid.</p>
